John Hughes, representing the All Stars, and John A. Holland, representing the Sachems, met at The Builletin office the other evening to arrange a series of games between the above mentioned teams. Both mendiscussed the ability of their respective teams and neither man did any mudslinging of any kind. In fact, things passed off very harmoniously.

They finally agreed on a series of five games for the city championship, all to be played on the Falls diamond, for a purse of \$50 a side, the winner to take 75 per cent. The first game is to be played early in May, the exact date to be decided on later. MARKET AT STANDSTILL Scaroity of Stocks a Noticeable Feature-Price Movements Narrow.

New York, April 6—The progressive slowing down of business on the stock exchange was carried farther today, and much of the time the market was at a standstill. Speculative conditions were unchanged and no initative was shown by traders on either skie. Price movements were unusually narrow and in only a few cases did they vary as much as a point from Saturday's close.

#### Texas Woman Says Great **Kidney Remedy Saved Her Boy**

My boy at about thirteen years of age had a very severe attack of Swamp Fever, which left him with hemorrhage of the kidneys. He would have from two to four attacks a year. We had several physicians attending him for three years. The Doctors told my family we would not raise him to be twenty-one years old.

I saw your advertisement in the papers. As a last resort I gave up the doctors and tried Dr. Kilmer's Swamp Root. After using several bottles, was so well pleased with the result, we stuck to it and he is now twenty-one years old and a perfect and stout man. We can highly recommend Swamp-Root for kidney trouble.

Very truly yours,
